COMMENTS OF KXLF COMMUNICATIONS, INC.

KXLF Communications, Inc. ("KXLF Communications"), licensee of KXLF-TV, Butte, Montana, by its attorneys and pursuant to Sections 1.415 and 1.420 of the Commission's Rules (47 C.F.R. §§ 1.415, 1.420), hereby respectfully submits these comments in response to the above-captioned *Notice of Proposed Rule Making* ("Notice") released by the Commission on May 15, 2003. The *Notice* seeks comment on KXLF Communications' request, as set forth in its *Petition for Rule Making* filed on January 10, 2001 and amended on October 3, 2002 ("Petition"), that the Commission amend Section 73.622(b), the DTV Table of Allotments, by substituting Channel 5 as the station's paired DTV allocation for the transition period in lieu of Channel 15, as originally allotted.

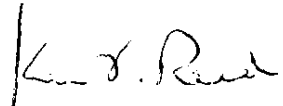

KXLF Communications hereby reaffirms the justification for the proposed DTV allotment change advanced in detail in the *Petition*, which is incorporated herein by reference, and confirms its continuing desire and intent to construct and operate KXLF-DT on Channel 5, as proposed. Upon the Commission's adoption of changes in the DTV Table of Allotments as

described in the *Notice*, KXLF Communications will timely file an application specifying the operation of KXLF-DT on Channel 5 with the parameters proposed in the *Petition* and in accordance with applicable Commission rules and policies governing construction and commencement of operation.

THEREFORE, for the reasons previously set forth in the *Petition*, KXLF Communications respectfully requests that the Commission promptly adopt the changes proposed in the *Notice* and amend Section 73.622(b) of its Rules to substitute Channel 5 for Channel 15 for use by KXLF-DT at the specified reference point in Butte, Montana.

Respectfully Submitted,

KXLF COMMUNICATIONS, INC.
